* Raise/salary figures above are taken from the USM Budget books (USM Libraries) for various years. Raise figures do not include promotion/administration increments. Not included in the list above is Charles Ponder. His salary rose from \$37,692 to \$46,251, based on what appeared to be partly due to a change in his employment status.

¹ Niroomand's salary rose from \$81,315 to \$108,420 with his merit raise plus his appointment as Associate Dean of the College. Based on Budget Book information, approximately \$18,250 of the increase appears to have resulted from the new appointment.

² Iskandar Hamwi's salary rose from \$90,711 to \$112,698 as a result of his appointment to Chair of the Department of Economics, Finance and International Business. The merit raise above assumes an administrative supplement of \$15,000.

³ Bill Smith was appointed Assistant Dean for Corporate Relations. As a result, his salary rose from \$61,875 to \$81,236. The merit raise above assumes an administrative supplement of \$15,000.
