*Salary data come from 2007-08 USM Budget Book (USM Libraries). Salary data do not include salary supplements supported by endowments/gifts, such as the Draughn Professorship (Michael Wittmann), Financial Services Professorship (John Clark), Kaetsu Professorship (Alvin Williams), McCarty Professorship (Chang Tseh-Hsieh), or the Morgan Professorship (Charles Jordan). Ranks: 0=instructor, 1=assistant professor, 2=associate professor, 3=professor.

¹Jackson will begin 2007-08 as the Interim SAIS Director, a decision that was made by the CoB's central administration after the 2007-08 USM Budget Book went to press. Thus, Jackson's reported salary is lower than what his actual salary will be for 2007-08.
