SOUTHERN MISS	60
EAST CAROLINA	89

Now, **after 10 full seasons at the helm**, Lee-McNelis' overall record at USM is a dismal 126-150 (0.457), while her record against Division 1 opponents is much worse. Using her overall record, only 2 of the 10 seasons have been winning ones. As sources indicate, it is well beyond the point when Lee-McNelis and USM should have parted ways.
