SAUNDERS ADMINISTRATION BRINGS BACK FACULTY CLUB

The Martha Saunders administration of USM has retrieved the baggage of USM's past and resurrected the USM faculty club. The new University Club is set to hold an open house on 13-Oct-09. The admission is free, and visitors will have access to complimentary hors d'oeuvres and a reduced-rate cash bar. As one USMNEWS.net source stated, however, now (amidst economic turmoil and budget crises) isn't exactly the best time for the Saunders administration to support alcohol consumption across the USM faculty/staff ranks. On the other hand, that administration isn't widely known for sound judgment and critical-thinking skills. Enjoy the invitation below.

Attention Faculty and Staff
