

CoB 90210

In Part 2 of this series, we take a look at a new monthly Pine Belt area magazine, *Signature*, available at retail outlets (no charge) throughout the Hattiesburg and Oak Grove areas. The magazine (see logo below) features pictorials of various social gatherings in the greater Hattiesburg Area.

In both the November and December 2006 issues, Susan Doty, wife of CoB Dean Harold Doty (shown below, in *Joint Venture*), and lead educator for the CoB's new Center for Economic Education (housed within the Bureau of Business and Economic Research), is pictured at luncheons associated with the Canebrake Ladies Society.

Susan Doty is shown below at the CLS luncheon (at the Canebrake Clubhouse) from the December 2006 *Signature* pictorial:

Canebrake Clubhouse

Susan Doty,

Given all of the things Dean Doty does to maintain Susan Doty's position within the CEE and the Mississippi Council on Economic Education, these photo ops must be a real morale boost for the CoB's *hoi polloi*.
