Sequeira's Contest

The CoB's annual [Golden Eagle Challenge](#) is now set for 4-Dec-09, and once again MGT's Jennifer Sequeira will be hosting the event. As always, teams of CoB students will present business plans to a panel of judges in an effort to win monetary prizes of various amounts. For more on the event, including some quotes from Sequeira, check the link above.

"Faculty Members do more than Teach"

Former USM provost Tim Hudson, now president of the University of Houston at Victoria, recently wrote [an op-ed](#) for the *Victoria Advocate* defending the work that university faculty do. As you will see from the link above, former CoB associate dean Farhang Niroomand is prominently featured in the story. Hudson's UH-V views may come as a surprise to some USMers, particularly considering the prominent role he played in what many consider the oppressive/anti-intellectual Shelby F. Thames administration (2002-07) at USM.

The index below is dedicated to those former CoB faculty who exited the CoB with, or after, the arrival of Harold Doty in 2003. It catalogues (alphabetically) the post-CoB journal publications of those former CoB faculty who departed for other academic institutions after the 2002-03 academic year. In each case, A-level journal publications are presented in blue font.
