Aunt Martha's Maalox Moments

With the recent home loss to the University of Texas at El Paso, Larry Fedora's USM Golden Eagles have fallen to 2-3 on the season and a #88 ranking by Jeff Sagarin. At #88 in the U.S., Southern Miss is ranked behind no fewer than four 1-AA football teams. These are James Madison, McNeese State, Villanova and New Hampshire. The double-overtime loss to UTEP also has the Golden Eagles in uncharted territory, at 0-2 in Conference USA play. Now, with a game against Boise State looming over the horizon, USM's 14 consecutive winning seasons, all under former coach Jeff Bower, is in serious jeopardy.
