KNOW YOUR RIGHTS!

The Following Package of Journal Publications Will Get You Promoted to Professor

There is precedent now in the College of Business at the University of Southern Mississippi for the successful promotion to full professor based on the package of journal publications below (by quality; CoB journal rankings). This package represents what an associate professor in the CoB would need to produce (at a minimum) over a 3/4-year period. The only additional requirement will be a strong letter of support from the Dean that concentrates on any aspect of your record of your choosing.

If your are denied a favorable recommendation "By Letter" of this package by the CoB Dean based on not qualifying as a "special case," ask him to direct you to the section on "Special Cases" in the revised CoB Handbook (*Enhancing Faculty Productivity*, revised) so that you can better understand the criteria you failed to meet. Be informed. Know your rights!
