

CoB Administrators in Their Own Words

“I want Sedona to be the single-source for all faculty information. That way, you and I will not be burdened with all of these ad hoc requests and requirements. . . We get relief, and all information used and published on our faculty is consistent, to the faculty member's standard of accuracy.” [EFIB Chair George Carter on 1 / 17 / 2006, in an e-mail to all EFIB faculty and Harold Doty about the administration's plans for SEDONA.]
