Sami Dakhlia once taught at in the College of Business at Southern Miss. As the locals say, Dakhlia wasn't from around here. At the time and currently, he holds dual French and US citizenships. Given the fact that Mr. Dakhlia was not a native born citizen, perhaps he never developed an appreciation for First Amendment rights.

Since there has been recent interest in Dakhlia (see one example below), let's take a walk down memory lane and review who Dakhlia is.
