Dear usmnews,

Thank you so, so much for putting together the new series on Dean Farhang Niroomand's travel habits. It has been both interesting and astonishing to this point, and it is going to be very, very helpful to some of your readers.

Dear USMNEWS.NET,

Were the campus graffiti vandals ever caught by Southern Miss authorities? I have been asking around, and can't get any new information or details. One story I heard is that the case has been closed due to a complete lack of leads or information. I can believe it. I don't see how they expected to ever catch anyone with what little was known about the situation.

Dear USM news,

Be on the watch for news out of the College of Arts and Letters. There are some rumors of administrative changes there.

So many people appreciate what you do, and look forward to checking in every day for news about the campus.
