

Dear USMNEWS.net

Dear USM News,

Your stories about the latest lawsuit against Southern Miss and Martha Saunders were very interesting. I think there is a popular feeling on campus that Kathy Yadrick was promoted to associate dean to keep her “on board” as it were when it comes to the lawsuit she is now involved with.

Dear USMNEWS.NET,

I don't know about you, but I found the listening sessions very depressing. They weren't well-attended, most people came but did not even come close to participating, the IHL moderator was well outside of her comfort zone, and the other IHL members came across as very old and out of touch. By the way, what was Doug Rouse doing down on the coast? I thought he was kicked off the board.
