

DEAR USMNEWS.NET

Dear usmnews.net,

Below are links to the WUWF.org website (NPR affiliate), in particular the video of the last BOT meeting [Board of Trustees] on 11 JUN 13.

The opening sequence centers on Lewis Bear, who is the current chair of the UWF BOT. To his right is President Judy Bense and to her right is Lee P. Gore, then called the General Counsel, more recently "Special Assistant to the President".

To Lewis Bear's left is Martha Saunders, Provost.

You can watch the whole thing, [Part 1](#) and [Part 2](#) and the Provost does not utter an official syllable, if I recall correctly.

The video is better than a single photo, you can see how he talks and moves. Nice tie.

Has anyone checked to see if he is still on the Mississippi Bar - any problems?

Astonishing lack of personal information available at first pass.

Name withheld by request
