

*Dear usmnews.net*

Dear usmnews.net,

Don't know if you have been watching, but the [Hattiesburg Listening Sessions](#) have been pretty interesting. One common theme seems to be turmoil and turnover. I agree. Southern Miss has had plenty of both and they are probably related.

If your readers haven't tuned it, the sessions will continue in Gulfport this afternoon.

Name withheld

Editor's note: Here is the link to the [webcast](#) at the Gulf Coast.
