

DEAR USMNEWS.NET

Dear usmnews.net,

Take a look at the attached email. Before every football game I get pretty much the same invitation. (I guess anyone who has donated money to the Foundation gets one.) I'm almost tempted to go to see who, if anyone, shows up. I wonder if Interim-President Lucas will bother to play host. Maybe he will spend his time campaigning with the folks at the University of West Florida trying to get Martha [Saunders] gone and off his payroll. I can't help but wonder if he has called his old friend and long time university counsel, Lee Gore seeking assistance.
