Dear usmnews.net,

Last Friday [March 28, 2014], I thought I saw your wife and you at the Beau [Rivage, Biloxi, MS]. Did you go to the Foundation black tie get together?

Name withheld

Dear Name withheld,

You may have seen us. We thought about going to the Foundation dinner, but decided we would rather have a romantic dinner and take in a show. Kate and I had pasta at Stalla (which does really good Italian) and took in the Hall & Oates show (which was seriously good).

For those who do not know us, Kate and I made donations totaling tens of thousands of dollars to the Foundation and are members of the Honors Club. Our contributions funded the Jude-DePree Endowed Scholarship.
