Dear usmnews.net,

Are Ms. St. John's claims true? I don't know. I've never been to Tyler. But, I can say that during the Doty years in Hattiesburg, there were rewards for a handful of favorites and sycophants. Many capable faculty and staff left in disgust or were forced out. It all sounds very familiar.

Any idea what role [Stephen Bushardt](#) played in the St. John story?
