Dear usmnews.net,

For the benefit of your readers in Tyler, would you run a couple of stories about Stephen Bushardt?

Anonymous

Dear Anonymous,

In keeping with your request, usmnews.net is providing links to an affidavit executed by Dr. Bushardt's former spouse and an editorial published while Dr. Bushardt was still employed at Southern Miss. Unfortunately, the link to timbersnursery.com no longer exists. (Yes, timbersnursery.com is the publication outlet where Dr. Bushardt's paper was located by usmnews.net's reporters.)
