Dear usmnews.net,

I would like to suggest a contest for your readers. Identify any Southern Miss administrator who has acted with even a small measure of the integrity shown by [LaShondra Peebles](#)?

Dear Name withheld,

We invite our readers to provide details to celebrate USM administrative honesty. However, usmnews.net expects that the result will be the same as our search for former Accounting Professor Rod Posey's "[more than a hundred publications](#)." They don't exist.
