

DEAR USMNEWS.NET

Dear usmnews.net:

usmnews.net has not been one of Joye Lee-McNelis' fans. [Head coach for the Lady Eagles basketball team] So, I was surprised when you did not comment on the July 14 [2013] [Hattiesburg American](#) report "USM's McNelis faces lawsuit."

Name withheld

Dear Name withheld,

According to *THA* report, Coach McNelis was driving a University owned vehicle when she rear ended another car. The driver claims Coach McNelis' careless driving caused "\$82,733 in medical and other expenses."

As we all know, a complaint only provides one side's claims. However, for the University's sake, let's hope Coach McNelis is a [better driver than coach](#).
