Dear Dr. Bennett,

Why are you wasting our tuition and tax money to defend a corrupt, failed, badly attended sports program?

You won't answer my question, but I feel better having asked it.

Dear usmnews.net

Is there some place where we can find out how much money Mississippi universities are spending on outside counsel?

Dear usmnews.net,

Isn't there a lawyer or firm in Hattiesburg, let alone the State of Mississippi, competent to represent Southern Miss [in the NCAA basketball investigation]. I'm sure all the local guys are really happy to see all that money flowing to Alabama.
