

Dear usmnews.net

Dear usmnews.net,

Why doesn't the University and the Foundation sell that stupid airplane? With declining enrollment and bad news from *U.S. News [& World Report]*, it seems that the money could be put to a better use.

Dear Name withheld,

That's a question usmnews.net has been asking for a long time. I can think of some potential answers. With the caveat that I have no idea what these people are really thinking (because they won't tell), here are a few. If any of our readers have other ideas, feel free to suggest some.

- 1) It's a toy that the various presidents have no intention of giving up.
- 2) The various presidents have a sense of entitlement.
- 3) It's not their money; so, why should they care.
- 4) ?
