

DEAR USMNEWS.NET

Dear usmnews.net,

Just saw the announcement for Lee Gore's retirement party. As a citizen and a faculty member, I would like to know what Lee has been up to for the last several months. Has he done any work for the office of the University Counsel since Martha announced that Jon Mark Weathers was taking over the job?

DEAR USMNEWS.NET

The recent email to the whole University says that Lee Gore's retirement party is being held in the president's conference room. If it is the room I'm thinking about, they must not be expecting more than a dozen people. Won't all the "plaintiffs" (how Lee used to refer to the faculty) want to come bid their fond farewells.
