

Dear Skip . . .

Dear Skip:

Many of the old guard you have inherited not only do not want the change you and the dean are bringing their way, but also they are nostalgic for the good old accounting days of pencil and paper and adding machines. You know, Skip, back when it was really accounting and men were men. In their minds, those were the glory days.

We wish you the best of luck with your program for change.

An Optimistic Fan
