

DEAR USMNEWS.NET

Dear usmnews.net,

Yes, I have seen Dr. Saunders' commercials. When did Southern Miss turn into the University of Phoenix with its hard sales pitch?

Dear usmnews.net,

Do Harvard, Yale, or the University of Chicago feel the need to run amateur advertisements? Do they run advertisements, at all? Perhaps it is because people compete to get into schools like those. They are exclusive. Southern Miss advertises because it is recruiting any one who can come up with the money.

Dear usmnews.net,

The only awards that Southern Miss seems to get are Martha's bush league public relations awards. What happened to academic awards?
