Somebody's interested in learning about Farhang Niroomand. He was at one time the hot-headed Associate Dean at the College of Business at the University of Southern Mississippi. If you care to check out his miscreant behavior, Google him here at USMNews.net.

If you are under his thumb at University of Houston -- Sugarland, my condolences. But keep in mind the old saw, to be forewarned is to be forearmed. Just type "Niroomand" into the usmnews.net search engine and read on...
