

## Getting the Message

Does the following mean that some of the faculty at LSU get it? “

The university administration, the report complained, ‘has shown a willingness to ignore the contractual rights of faculty members under the assumption they are unlikely to pursue legal recourse as individuals.’”

*CHE*, December 3, 2009. <http://chronicle.com/article/A-Faculty-Uprising-Stirs-at/49282/>

Will the faculty at USM get the message too as they watch tenure become less and less meaningful?
