A Look at Business Dean Openings from Around the Country

With four current/former CoB deans moving around in the academic world, some USMNEWS.net readers have requested an ongoing report that tracks current b-school dean openings. Long-time readers of USMNEWS.net are aware that **Faye Gilbert** is the current dean of the CoB. Another former CoB administrator, **Farhang Niroomand**, currently holds the dean's post at the University of Houston – Victoria. Each of these is listed among all southern university/college business deans in USMNEWS.net's series on deans' salaries entitled *The BSD Pay Project*. *The BSD Pay Project* can be found using the Google search bar located here at USMNEWS.net. That reports notes that Gilbert is currently earning \$233,300 per year, while Niroomand earns \$226,384 per year.

Table 1 below shows the b-school deans openings, from most recent to oldest, that are currently listed by *The Chronicle of Higher Education* or other sources. In the case of southern institutions, the salary of the previous (current) business dean is listed there as well.
