

## Harrell and Perry Join USMGC – CoB

Two of the CoB's new *visiting* faculty joined USMGC earlier this week. They are Adrine Harrell, a visiting assistant professor in economics, and Ty Perry, a visiting assistant professor in finance. Two separate stories in from the USMNEWS.NET **Breaking News** desk introduced these two new additions to CoB faculty and other visitors of the website earlier this summer.<sup>1</sup>

As the photo (USM Public Relations) above indicates, Harrell and Perry are among 12 new faculty who joined USMGC in August of 2007.
