

Updated, 5-July-10

The index below is dedicated to those former CoB faculty who exited the CoB with, or after, the arrival of Harold Doty in 2003. It catalogues (alphabetically) the post-CoB **A-level** journal publications of those former CoB faculty who departed for other academic environs after the 2002-03 academic year.

Note: This series was revamped in 2010, partly to include A-level journal publications only.
