

Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

Someone sent me another novel about higher education. The last one was so good I had to read this one as well. Again, I wasn't disappointed. These books are really good examples of how terrible things can be in our industry. I am just so thankful that it's impossible to write one of these about Southern Miss, the school we all love so dearly.

Martha's Podium is an editorial cartoon series from USMNEWS.net that borrows from cartoons that appeared in *The Student Printz* during the Martha Saunders administration of USM.
