

Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

One of you sent me this book about higher education. When I saw the subtitle, I was shocked to see Southern Miss there, especially after claiming that none of these types of books could possibly be about us. The subtitle also had me thinking that this book was going to be about my administration's campus housing policies, but it's not. This one is about stuff that happened decades ago, so it's not relevant. Again, ya'll are wrong and out of excuses.

Martha's Podium is an editorial cartoon series from USMNEWS.net that borrows from cartoons that appeared in *The Student Printz* during the Martha Saunders administration of USM.
