

Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

If you all are thinking about your spring break reading list already, this is one I recommend. It will make you appreciate working and studying here at Southern, and not the type of place the author of this book writes about. If you think things are as bad here at Southern, you are wrong and out of excuses.

Martha's Podium is an editorial cartoon series from USMNEWS.net that borrows from cartoons that appeared in *The Student Printz* during the Martha Saunders administration of USM.
