

Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

When I saw this photo of the space shuttle being flown to Washington, D.C. on the back of a passenger jetliner I immediately tasked USM VPAA Chad Driskell with looking into how we can modify the USM Beechcraft King Air. I would really like to have a sitting room, where I can entertain potential donors, installed above the main cabin.

Martha's Podium is an editorial cartoon series from USMNEWS.net that borrows from cartoons that appeared in *The Student Printz* during the Martha Saunders administration of USM.
