

Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

In order to deal with upcoming budget issues without firing more faculty, we will be holding a yard sale on the lawn of the A CLB. Several items have been made available, like the audio recording equipment the faculty senate once used to record meetings for the public, and some of the brass instruments surrendered as a result of the pep band's racist behavior during the NCAA tournament. Please get the word out around town.

Martha's Podium is an editorial cartoon series from USMNEWS.net that borrows from cartoons that appeared in *The Student Printz* during the Martha Saunders administration of USM.
