

Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

There has been a lot of talk about the \$300,000 boudoir makeover at the president's mansion. The truth is, it was a lot more than that. I just want to let my successor know that the remote to the 55" plasma t.v. near to the jet tub in the master bath is behind the Q-tips in the second drawer to the vanity. Also, there is a trundle bed underneath the master bed. That's where any admin type slept who had one too many at a presidential party on mansion grounds. Also, that large room next to the master bath, with shelves fronted by glass cabinet doors – that's mainly a shoe and purse closet. It has top-down lighting.

Martha's Podium is an editorial cartoon series from USMNEWS.net that borrows from cartoons that appeared in *The Student Printz* during the Martha Saunders administration of USM.
