

# Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

---

*With all of the crimes on our campus in recent months, I understand that the parents of our local children are concerned about safety surrounding the many summer camps we put on each year. In response to that concern, the USM grounds workers will be placing placards like this all around campus. Next year my strategic wrought iron fencing project will provide all the safety we'll ever need.*

The picture provided by the cartoonist has been blanked. However, for a number of people who contributed to an atmosphere of fear, please see [Feeling Safe at USM](#).
