

Martha's Podium

An Editorial Cartoon Series from USMNEWS.net

I'm so happy to be here in Pensacola interviewing for your Provost's job. As I told *The Hattiesburg American* the other day, I really respect your President. If selected, I will work closely with her to develop a strategic plan, based on 'Core Dialogues,' that will take UWF well into the future. As your Provost, I hope to get UWF students to 'ride all the rides.'

Wow, that all sounds inspiring, especially the part about the 'Core Dialogues' and 'ride all the rides.' I say let's get behind all of that.

Martha's Podium is an editorial cartoon series from USMNEWS.net that borrows from cartoons that appeared in *The Student Printz* during the Martha Saunders administration of USM.

For our many readers who were not at USM during Martha Saunders' time as president, the editors of usmnews.net added links explaining our cartoonist's references to Core Dialogues and "ride all the rides".
