

New Year's Resolutions

1. Spend even less time in Hattiesburg.
2. Make even fewer decisions; this will be difficult.
3. Make the Fulls in the School happy so I can get tenure, if I stay.
4. Look for another job.
5. Avoid Dean Nail.
6. Find a suitable new director so I can stay on the Coast. By "suitable" I of course mean to Accounting.
7. Ask Bob Smith if intends to continue commuting from Atlanta, or if he is going to resign. I do not care, I just need to know. See #5.
8. Give Mary Anderson something else she does not need and see if she will put me on her next paper with the Louisiana Tech gang.
9. Look for another job.
10. Be so hard to find that I make Jim Henderson look like a full-time employee.
