

New Year's Resolutions

1. Tweak plan for many fewer dollars to get the College where I want it to be.
2. Get dead wood out.
3. Ponder where the new chairs will come from with little-to-no money from Martha.
4. Get dead wood out.
5. Neuter George until June 30th.
6. Ask "select faculty members" if they need a reference letter in support of their job search.
7. Find new BAC members . . . somehow. Immediately.
8. Get dead wood out.
9. Ask Martha if the College absolutely has to have a Coast component.
10. More pubs, better pubs.
