Notes: This table serves to provide information to all CoB faculty regarding internationally related scholarly pursuits of CoB faculty since 2002. The information presented above is taken from SEDONA. No records are provided in SEDONA regarding funding sources (e.g., State E&G dollars, research grants, etc.) or whether CoB faculty engaged in the travel, though in some cases (discussant, moderator) inferences can be clearly drawn. Similarly, some of the paper presentations represented sole authorships and/or USM CoB-only coauthorships.

Key: **=CoB administrator at time noted above; *=Possibly CoB administrator at time noted above (insufficient information provided for ultimate determination).
