**A Look at William Goffe's 2002 Request for \$6,000**

This "Special Report" examines an interesting Purchase Order involving a former CoB faculty member, William Goffe. Goffe, an Associate Professor of Economics, left the CoB following the 1999-2000 academic year (USM records). However, as the reproduction of USM Purchase Order 0001010826 below indicates, Goffe requested that Joe Morgan (Req ID A20641) provide payment to him of \$6,000.00 in August of 2002, a little over two years after his (Goffe's) departure from the CoB.

Total PO Amount

The USMPO above indicates that Goffe provided "Consulting Services" on a grant relating to environmental risks to children's health, though no dates regarding provision of the consulting services are provided. The Chair of EcoFinIB at that time was Iskandar Hamwi, yet his name is not on the PO above. Perhaps additional paperwork on this matter will clear up some of the missing details.
