So, these are the faculty we think are 'dangerous,' President Allrides.

What do you think, Provost Truegal? I personally am wondering why Dean Toady isn't here presenting this.

Moving these people out would provide much needed budget savings, Madame President.

Okay, I suppose we could add these to the overall list, and then get started.

Great. We've already started a rumors campaign on some of them.

That's good, Dr. Treelung, but you've got a few names here. I think we'll need a 'public incidents' campaign as well.
