Dr. Nearydom,
that was out of
line! For throwing
your shoe at Mr.
Duper, you are
out of here!

Thanks for
sticking up
for me
there,
President
Allrides.

No problem, Mr.
Duper. Listen
everyone, I realize
I just said that
nothing should
stop this hearing,
but I never
expected Dr.
Nearydom's
disruption. This
hearing is now
concluded!

That will be dealt with differently now, Mr. Duper.

Provost Truegal is certainly right about that. Mr. Duper, we'll get back to you later about it.

I certainly understand that, but what about Dr. Blue's suspension?

I second that, President Allrides.

Just one more matter, Madame President. Please allow us to handle Dr. Nearydom's outburst at the college level.

Provost Truegal and I will be discussing that later today. I'll be in touch, Dean Toady. We are adjourned.
