40	Zantow, Kenneth	\$ 6,163	2006

* Raise figures above are taken from USM Budget Books (USM Libraries) for various years, and do not include promotion/administration increments or %-based across-the-board COLAs. The 2004 figures above include a \$400 COHIA. The full 2006 figures are not yet available in most cases, so some displacement may occur when the 2006 raises are fully integrated.
