01.02.2013

We're pleased to see many of our most frequent and loyal visitors returning for another year:

At the top of the list of loyal visitors is the IHL. They've learned to visit without running up their number of visits on our "returning visits" counter. Well done, IHL. You've fooled us again.

They're still interested in you, Lee. Why, I don't know. Maybe they're learning how to collect "dangerous behaviors" to report to your new boss at WFU. After all, you never met a "dangerous behavior" you didn't like.

Is that you, Alvin? You testified that you didn't visit usmnews.net. Well, given how honest you are, it couldn't be you.
