

What Does a One Day a Month Furlough Mean?

As part of its effort to cut \$15 million from the USM budget, the Martha Saunders administration intends to save \$3.25 million from a one day per month furlough of USM faculty and staff. Below is a sample of CoB faculty, and how each will be affected by this policy. To the right of each is the amount this will cost him/her during 2011-12 (in salary alone):

James Lindley	\$3,880
Stanley Clark	\$3,737
Roderick Posey	\$3,516
Kimberly Goodwin	\$3,500
Wesley Pollitte	\$3,333
James Magruder	\$2,669
Brigitte Burgess	\$2,370
Dolly Loyd	\$1,809
Evelyn Green	\$1,610

As you can see, these cuts range from \$1,610 to \$3,880. If you are not included in this list, you may want to consider making your personal furlough calculation so that you can prepare for the year ahead.
