

The Big Question: Who's fault?

USM doesn't get a football record as disastrous as the current zero wins and twenty-three losses by happenstance. And USM sports bloggers have focused their aim on the decision-makers.

Pictures, as the cliché goes, are worth a thousand words, or, in this case, [maybe more](#):

From left to right: Richard Giannini, The Devil, and Martha Saunders.

Of course, this trio made other disastrous decisions than just 0-23 football. Google™ them on usmnews.net

Guess that about sums it up for now. Have a nice day.
