usmnews.net Reporter **DEVELOPING STORY**

HATTIESBURG --- Sources have informed the staff at *usmnews.net Reporter* that officials in both the USM EEOC offices and the USM Department of Human Resources are contacting former CoB secretarial staff and seeking information about their experiences while employed in the CoB. According to our sources, this process is in its early stages, and comes at about the same time that the CoB's central administration vacated the Dean's office suite on the second floor of Joseph Greene Hall. This story promises to be interesting, and we will be updating this **Developing Story** as things progress.
