

What happens to faculty who are desperate to become administrators?, part 2 “In an email dated February 28, 2006, Dr. Stan Lewis wrote, “[T]hey [Doty and Posey] truly cannot grasp the concept of fair and even treatment of all others. But Rod has always been given special treatment.”

Has this changed since you joined administration, Stan? Are you helping Dean Doty to be "fair and even" in the treatment of all others? Tell us about it.
